Dress and Uniform Requirements

2023-2024

School Dress and Uniform Requirements

Purpose: All students must come to school in uniform every day (unless denoted by their campus for a special event). If a student arrives at school out of uniform, parents/guardians are notified and asked to bring in a uniform. If the school has extra uniforms on hand, staff may have the child change himself/herself into the borrowed clothing. If Uplift lends clothing, families are responsible for washing and returning the items within three business days.

Uniforms also provide a layer of security making it more feasible to spot someone who should not be on campus. Each scholar is responsible for his or her compliance with the dress and uniform code during school hours. Parents are responsible for ensuring that their child complies with the dress code before their child comes to school. Violations of the dress code may result in disciplinary action in accordance with the school's behavior management plan.
