SCHOLAR DEMOGRAPHICS

ABOUT OUR SCHOOL

Uplift Infinity Preparatory is a tuition-free, public charter school managed by the Uplift Education charter school network. We offer a college preparatory curriculum to a diverse population of scholars, in grades Pre-K through 12 in Irving, TX. Our mission is to create and sustain a public school of excellence that empowers students to reach their highest potential in college and the global marketplace.

COMMUNITY SERVICE REQUIREMENTS

Creativity, activity, service (CAS) is a key component of the IB Diploma Programme core. With its holistic approach, CAS is designed to strengthen and extend scholars' personal and interpersonal learning through experiences. CAS formally begins at the start of 11th grade and continues regularly for at least 18 months with a reasonable balance between creativity, activity and service. This often takes form in scholars participating in extra-curricular activities and community service in order to fulfill the requirements of CAS.

EXTRACURRICULAR ACTIVITIES

Uplift Infinity offers 30 different extracurricular opportunities afterschool and during the enrichment period. These include organizations such as National Honor Society, Scholar Council, Environmental League, Yearbook, E-Sports Team, Chess Club, Black Student Union, Genders & Sexualities Alliance, Infinity Newsletter, and CAS Council in addition to the following UIL 3A Varsity athletic programs: Flag Football, Volleyball, Basketball, Soccer, Track.

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Infinity is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Infinity is authorized to offer the Primary Years Programme (PYP) for grades K-5, Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity, and Service project, and Extended Essay. Current seniors have also had opportunities to participate in Dual Credit coursework.

Course Schedule: Uplift scholars accrue credits by semester, but most courses are year-long. Traditionally, classes rotate on an A/B block schedule with five days of four 90-minute periods. At the start of the 2023-2024 academic school year, scholars now attend classes every day for 45 minutes. Every two weeks, scholars have a 90-minute rotation with each class. Four days a week, the schedule also includes RISE Time (Advisory) and enrichment/intervention.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. A standard diploma through Uplift Education requires, at a minimum, the following credits:

English (4)	Math (4)	Humanities (4)	Science (4)	Language Other Than English (3)	Fine Arts (1)	Physical Education (1)	Electives* (5)
-------------	----------	----------------	-------------	---------------------------------	---------------	------------------------	----------------

*Includes Road to College and Career courses, Career and Technology courses and additional core courses

Grades for behaviors such as effort and participation are considered minor grades and are either not calculated in the overall grade or calculated as a small percentage, not exceeding 20%.
