

Uplift Infinity Preparatory Uniform Policy

Scholars elect to attend Uplift Infinity Preparatory because they are serious about their education. The philosophy underlying the school uniform is the creation of a purposeful educational atmosphere. Anything that distracts scholars will not be allowed. All decisions regarding school dress and uniforms are at the discretion of the Director.

The Uniform Dress Code at UIP is a positive factor which contributes to school discipline and safety. Furthermore, uniforms foster a spirit of teamwork in our school community. We urge INP parents to fully support all policies in regard to the school uniform. The purpose of the Infinity Preparatory School Uniform Dress Code is to establish a safe environment where outsiders are easily recognized and self-control and obedience to rules is established.

All shirts, vests and outerwear should have the appropriate Uplift Infinity logo.
